Feel?

Anxious

Uncertain

Will I able to prevent the losses?

Inadequate

Collect and analyse large amount of data

Will we have the strength to overcome this?

Think?

Try to minimize the losses

Do?

Will the result be accurate?

We need to prevent the loss.

Warns people about the danger

We need to make precaution steps

I need the results to be accurate

Say

Pain
- Worried about future
- Losses due to disaster
- Loss of human lives

Gain
- Can minimize the losses
- Results are accurate
- Gives a clear idea to officials where to start
